The School Liaison Officer (SLO) is the resource available to Keesler families that brings the schools, parents and Keesler leadership together in meeting the educational needs of the military child.

Parents are encouraged to contact 81TRW's School Liaison Officer at 597-3116, or via email at 81MSS-CC@keesler.af.mil with any issues or concerns they have relating to the educational needs of their dependent school-age children.

This guide is designed to be your “first step” in helping to decide which school your children will attend while you are stationed at Keesler Air Force Base. It contains contact information for 8 school districts that service the base population. Please contact the school district administration office of the city you reside in to verify which school your child should attend. If you are planning to reside in base housing your children will be attending one of the several Biloxi School district schools. Please refer to the base housing section below for further information.
